## **AICSF Examination Guidelines – 2026**

This document outlines the official examination policies, procedures, evaluation system, and certification process of AICSF.

## **1. Examination Modes**

- Online Examination Mode – Secure web-based examination system with time-bound access.
- OMR Based Offline Examination – Standardized printed OMR sheets evaluated centrally.
- Practical Examination – Course-specific practical assessments conducted at authorized centres.
- Hybrid Model – Combination of online theory and offline/practical evaluation where applicable.

## **2. Examination Rules & Conduct**

- Admit Card is mandatory for all candidates.
- Valid photo ID proof must be presented at the examination centre.
- Use of unfair means, impersonation, or malpractice will lead to cancellation of examination.
- Mobile phones and electronic gadgets are strictly prohibited in offline examinations.
- Re-examination policy applies only as per official approval from Examination Cell.

### **3. Evaluation & Result Processing**

- All answer sheets (OMR/Online) are evaluated centrally.
- Marks are digitally recorded in the centralized result management system.
- Result publication is done through official website portal.
- Re-evaluation requests must be submitted within the prescribed time frame.

## 4. Certification & Verification

- Each certificate carries a unique serial number.
- QR Code integrated verification system ensures authenticity.
- Digital or authorized signature of Controller of Examinations is included.
- Certificates can be verified through official AICSF verification portal.
