

AICSF Rules & Regulatory Framework

To maintain academic excellence, transparency, and nationwide standardization, AICSF follows a structured governance and regulatory framework across all affiliated study centres.

1. Academic Governance

- Standardized curriculum across all centres.
- Uniform examination and evaluation system.
- Centralized certification process.
- Mandatory academic reporting from study centres.

2. Certification Policy

All certificates are issued only after successful completion of prescribed training modules and evaluation procedures.

- Certificate verification system enabled.
- Unique serial number for every certificate.
- Digital record maintained at central database.

3. Study Centre & Franchise Guidelines

- Centres must follow approved branding guidelines.
- Qualified instructors are mandatory.
- Proper infrastructure and lab setup required.
- Compliance with academic audit procedures.

4. Transparency & Ethical Standards

AICSF maintains complete transparency in academic operations, certification, financial dealings with centres, and student support systems. Any violation of established rules may result in suspension or cancellation of affiliation.
